Hello Mr. Stiles,

The City has received the following record per your PRR request on 4/22/19. This will serve to confirm that the City has produced the responsive records attached. This will complete your records request.

The City only maintains the trees located in the City Parks, center medians, and on the Greenbelt. The City does not maintain the trees located on residential property.

Thank you,

Hello Mr. Stiles,

The record you was given by the City is all that our staff has on hand as of right now. They have however requested a listing that may be more of what you are looking for. I have asked for an eta as to when it will be available and I should here back from them soon. As soon as I get this information, I will advise.

Thank you,

I'm tracking a lot of requests across the county for tree data, so please forgive me if I've forgotten or overlooked some correspondence.

Can you please give me an update on your processing of this request? I never received any data, as far as I can tell.

Thanks!

Matt
